

WHERE DO I FIND THE CITY'S EOCP REQUIREMENTS?

-  1. Download a copy of the City's Standard Specifications for Public Works Construction (i.e., The WHITEBOOK, 2010) from the E&CP Department website:
<http://www.sandiego.gov/engineering-cip/services/consultcontract/edocref/greenbook.shtml>
-  2. Review Pages 1-10 for introduction and general instructions applicable to ALL City construction contracts.
-  3. Review Pages 11- 20 for instructions related to the City's new SLBE-ELBE program.
-  4. Review Pages 21-27 for instructions related to the City's SCOPe program.
-  5. Download a copy of the Bid package from the eBidboard site:
<http://www.sandiego.gov/engineering-cip/services/consultcontract/advertising.shtml>
-  6. Review the cover page of the Specifications for critical information including the EOCP requirements.
-  7. Review the "Special Notice" page in the Volume 1 of the Specifications for Project specific requirements e.g., subcontracting participation requirements i.e., goals.
-  8. Review the Required Documents Schedule page in the Volume 1 of the Specifications for a checklist of what forms are required to be submitted and when they are required.

Note: EOCP forms are also available on the EOC Department website:
<http://www.sandiego.gov/eoc/forms/index.shtml>
-  9. Review Volume 2 of the Specifications. The whole document including the forms must be submitted in its entirety at the time of Bid submittal.

Questions: Contact Henry Foster III at 236-6171.
